

World Musky Hunt

Established 1977 in Minocqua, Wisconsin

48th Annual World Musky Hunt
August 22nd, 23rd, and 24th, 2024

I and the Board of Directors of the World Musky Hunt (WMH) cordially invite you to submit a **“challenge”**, along with 2 other team members, as perspective **“Hunters”** for the 48th Annual World Musky Hunt. A limited number of teams are selected each year with three Hunters on each team. All Members of a team **MUST** be over 21 years of age. Since the World Musky Hunt is very limited and by invitation only it is one of the most exclusive events in the sport fishing fraternity. **Deadline for the TEAM form is March 1, 2024.** The entire purpose of the WMH is to promote Musky Fishing in The Greater Minocqua area of northern Wisconsin to the world (it is non-profit, non-commercial, and non-political). It is simply to have fun, meet some great people, while challenging the most frustrating, hard fighting, freshwater fish in the world. That's what true Musky hunting and sportsmanship is all about.

If you were on a team in the past you CAN'T be on a team again (but you can participate as a past hunter).

Over the past years most of our Team Hunters have been Musky Hunting novices and frequently have beginner's luck. Our World Musky Hunt Guides are renowned for their experience, patience & teaching ability of new Musky Hunters.

On Friday, each team member will be paired with a guide to hunt for Muskies on the beautiful Minocqua/Lake Tomahawk Chain, located in the breath-taking Lakeland Area of the Northwoods of Wisconsin. On Saturday, each Hunter will be paired with a new guide to further explore the chain or other area lakes.

The Raymond Sloan Center in Lake Tomahawk is the official headquarters for the World Musky Hunt. (Lodging is available in the area.)
