

World Musky Hunt

Established 1977 in Minocqua, Wisconsin

49th Annual World Musky Hunt
August 21st – 23rd, 2025

I and the Board of Directors of the World Musky Hunt cordially invite you to submit a **“challenge”**, along with 2 associates (team members), as perspective **“Hunters”** for the 49th Annual World Musky Hunt. A limited number of teams are selected each year with three Hunters on each team. **All Members of a team MUST be over 21 years of age.** Since the World Musky Hunt is very limited and by invitation only it is one of the most exclusive events in the sport fishing fraternity. **Deadline for the team form is March 31, 2025.** The entire purpose of the **WMH** is to promote Musky Fishing in The Greater Minocqua area of northern Wisconsin to the world (it is non-profit, non-commercial, and non-political). Our goal is simply to have fun, meet interesting people, and join the challenge of catching the most frustrating, hard fighting, freshwater fish on the planet. That's what true Musky hunting and sportsmanship is all about.

If you were on a team in the past you CAN'T be on a team again.

Over the past years most of our Team Hunters have been Musky Hunting novices and frequently have beginner's luck. Our World Musky Hunt Guides are renowned for their experience, patience & teaching ability of new Musky Hunters, (*what's a birds nest?, did you do your figure 8?*) Each team will hunt for Muskies on the Minocqua Chain of Lakes (Lake Minocqua, Kawaquesaga, Mid Lake, Lake Tomahawk, and Little Tomahawk) located in the breath-taking Lakeland Area of the Northwoods of Wisconsin. The Raymond Sloan Center in Lake Tomahawk is the official head-quarters for the World Musky Hunt. (Lodging is available in Minocqua.)
